That secred that where first a thrilling grief.
Was felt which tanglit you beaves slone dispose
Ged I can you live to see a foreign third.

A maniy shout for instant success counts from men who fight, outnumbered, breast to breast,

he very waves are marehaling on the deep tien, spring upon the initials, steel in hand, And strike the fated blow.

The Gallant Dead-

teelings of friendship Gen. Sibley, several weeks ago, sent Col. Reily on a mission to the Gov. The Governor in his rophy to the general experiment in the rophy to the general experiment in the rophy to the general experiment in his rophy to the general experiment in the rophy to the rophy to the general experiment in the rophy to the rophy to the rophy to the general experiment in the rophy to the rophy would empitted southern inciding and serve to proge for freedom, and in the maintenance of their
institutions. Ho also stated "that no order
giving the Federals permission to pass through
Mexico had been issued by the rating powers at
the capital, and if such an order were given, he
would not obey it."

He also gave permission to purchase whatever
would not obey it."

He also gave permission to purchase whatever
supplies that we were read without any location. Burdened with the
supplies that we were read without any location.
